Dear Celsiusians,

Today, we are writing to give our community advance notice of upcoming changes, which will go into effect on April 15, 2022. These changes provide a path forward for our users in the United States to continue holding coins and earning rewards with Celsius.

As we previously have acknowledged, Celsius has been working closely with regulators around the world. It is our intention to be as transparent with our community as possible. More specifically, we have been in ongoing discussions with United States regulators regarding our Earn product.

As a result, there will be changes to the way our Earn product will work for users based in the United States.

Here's how these changes impact you:

- **All coins transferred to Celsius by users in the United States prior to April 15, 2022 will continue to earn rewards.** Those existing coins will continue to earn rewards for as long as they remain in their Earn accounts.
- **On April 15, 2022, Celsius will be launching a new Custody solution for users in the United States.** Your Custody account will serve as the centerpiece of your home for crypto, providing a secure way to navigate across Celsius' products, including store, access, borrow, spend, earn and grow.
